This is not intended to be an offer to sell, or solicitation to buy, Condominium Units to residents of any jurisdiction where prohibited by law, and your eligibility for purchase will depend upon your state of residency. This offering is made only by the prospectus for the Condominium, and no statement should be relied upon if not made in the prospectus. The legal name of the Condominium is THE 201 NORTH FEDERAL HIGHWAY CONDOMINIUM Stated interior square footage shown on the floor plans is measured to the exterior face of exterior walls and to the centerline of interior demising walls, or to the exterior face of walls adjoining corridors or other common elements or shared facilities, without excluding areas that may be occupied by columns or other structural components. This method of measurement varies from, and is larger than, the dimensions that would be determined by using the description and the definition of the Unit set forth in the Declaration (which generally only includes the interior airspace between the perimeter walls and excludes structural components). For reference, the area of the Unit, determined in accordance with the Unit boundaries set forth in the Declaration, is set forth in Exhibit "3" to the Declaration. All dimensions are approximate and may vary with actual construction. Balcony sizes may vary, and for a correct depiction of the size of each balcony appurtenant to a Unit, see Exhibit "2" to the Declaration. All floor plans and development plans are subject to change. The Developer expressly reserves the right to make modifications, revisions and changes it deems desirable in its sole and absolute discretion. All depictions of furnishings, appliances, built-ins, counters and other matters of detail are conceptual only and are not necessarily included in each Unit. Consult your prospectus and Purchase Agreement. The plans, specifications, services, design techniques, design features, materials, amenities, terms, conditions and statements contained in this floorplan are proposed only, and the Developer reserves the right to modify, revise or withdraw any or all of same in its sole discretion and without prior notice. The Developer further reserves the right to modify, change or replace any members of the design team, and buyer has not relied upon the participation of any particular design professional. All improvements, designs and construction are subject to first obtaining the appropriate federal, state and local permits and approvals for same, and modifications may be made throughout the approvals process and construction. The building is not yet constructed and as such all depictions are renderings and are conceptual only and are for the convenience of reference. They should not be relied upon as representations, express or implied, of the final detail of the building, residences, amenity areas or building designs or materials. Materials described herein are reflective of the design vision, but are not representations of actual materials selected or to be utilized. The size and configuration of the cooktop shown herein, including the configuration and number of burners/zones, may vary per Unit. Please consult with the Developer regarding the specifications of the cooktop for the Unit. The Developer expressly reserves the right to make modifications, revisions and changes it deems desirable in its sole and absolute discretion. Views vary from each Unit and there is no assurance of the views from any particular Unit. Services provided may be offered on an a la carte basis, with charges for use required. Offering and then continuation of services is not assured and should not be relied upon. The Condominium is part of a larger mixed-use building and certain amenities and/or features may be shared with other owners and/or occupants of the larger mixed-use community (and not be exclusive to the Condominium). This is not intended to be an offer to sell, or solicitation to buy, Condominium Units to residents of any jurisdiction where prohibited by law, and your eligibility for purchase will depend upon your state of residency. This offering is made only by the prospectus for the Condominium, and no statement should be relied upon if not made in the prospectus. The legal name of the Condominium is THE 201 NORTH FEDERAL HIGHWAY CONDOMINIUM Stated interior square footage shown on the floor plans is measured to the exterior face of exterior walls and to the centerline of interior demising walls, or to the exterior face of walls adjoining corridors or other common elements or shared facilities, without excluding areas that may be occupied by columns or other structural components. This method of measurement varies from, and is larger than, the dimensions that would be determined by using the description and the definition of the Unit set forth in the Declaration (which generally only includes the interior airspace between the perimeter walls and excludes structural components). For reference, the area of the Unit, determined in accordance with the Unit boundaries set forth in the Declaration, is set forth in Exhibit "3" to the Declaration. All dimensions are approximate and may vary with actual construction. Balcony sizes may vary, and for a correct depiction of the size of each balcony appurtenant to a Unit, see Exhibit "2" to the Declaration. All floor plans and development plans are subject to change. The Developer expressly reserves the right to make modifications, revisions and changes it deems desirable in its sole and absolute discretion. All depictions of furnishings, appliances, built-ins, counters and other matters of detail are conceptual only and are not necessarily included in each Unit. Consult your prospectus and Purchase Agreement. The plans, specifications, services, design techniques, design features, materials, amenities, terms, conditions and statements contained in this floorplan are proposed only, and the Developer reserves the right to modify, revise or withdraw any or all of same in its sole discretion and without prior notice. The Developer further reserves the right to modify, change or replace any members of the design team, and buyer has not relied upon the participation of any particular design professional. All improvements, designs and construction are subject to first obtaining the appropriate federal, state and local permits and approvals for same, and modifications may be made throughout the approvals process and construction. The building is not yet constructed and as such all depictions are renderings and are conceptual only and are for the convenience of reference. They should not be relied upon as representations, express or implied, of the final detail of the building, residences, amenity areas or building designs or materials. Materials described herein are reflective of the design vision, but are not representations of actual materials selected or to be utilized. The size and configuration of the cooktop shown herein, including the configuration and number of burners/zones, may vary per Unit. Please consult with the Developer regarding the specifications of the cooktop for the Unit. The Developer expressly reserves the right to make modifications, revisions and changes it deems desirable in its sole and absolute discretion. Views vary from each Unit and there is no assurance of the views from any particular Unit. Services provided may be offered on an a la carte basis, with charges for use required. Offering and then continuation of services is not assured and should not be relied upon. The Condominium is part of a larger mixed-use building and certain amenities and/or features may be shared with other owners and/or occupants of the larger mixed-use community (and not be exclusive to the Condominium). This is not intended to be an offer to sell, or solicitation to buy, Condominium Units to residents of any jurisdiction where prohibited by law, and your eligibility for purchase will depend upon your state of residency. This offering is made only by the prospectus for the Condominium, and no statement should be relied upon if not made in the prospectus. The legal name of the Condominium is THE 201 NORTH FEDERAL HIGHWAY CONDOMINIUM Stated interior square footage shown on the floor plans is measured to the exterior face of exterior walls and to the centerline of interior demising walls, or to the exterior face of walls adjoining corridors or other common elements or shared facilities, without excluding areas that may be occupied by columns or other structural components. This method of measurement varies from, and is larger than, the dimensions that would be determined by using the description and the definition of the Unit set forth in the Declaration (which generally only includes the interior airspace between the perimeter walls and excludes structural components). For reference, the area of the Unit, determined in accordance with the Unit boundaries set forth in the Declaration, is set forth in Exhibit "3" to the Declaration. All dimensions are approximate and may vary with actual construction. Balcony sizes may vary, and for a correct depiction of the size of each balcony appurtenant to a Unit, see Exhibit "2" to the Declaration. All floor plans and development plans are subject to change. The Developer expressly reserves the right to make modifications, revisions and changes it deems desirable in its sole and absolute discretion. All depictions of furnishings, appliances, built-ins, counters and other matters of detail are conceptual only and are not necessarily included in each Unit. Consult your prospectus and Purchase Agreement. The plans, specifications, services, design techniques, design features, materials, amenities, terms, conditions and statements contained in this floorplan are proposed only, and the Developer reserves the right to modify, revise or withdraw any or all of same in its sole discretion and without prior notice. The Developer further reserves the right to modify, change or replace any members of the design team, and buyer has not relied upon the participation of any particular design professional. All improvements, designs and construction are subject to first obtaining the appropriate federal, state and local permits and approvals for same, and modifications may be made throughout the approvals process and construction. The building is not yet constructed and as such all depictions are renderings and are conceptual only and are for the convenience of reference. They should not be relied upon as representations, express or implied, of the final detail of the building, residences, amenity areas or building designs or materials. Materials described herein are reflective of the design vision, but are not representations of actual materials selected or to be utilized. The size and configuration of the cooktop shown herein, including the configuration and number of burners/zones, may vary per Unit. Please consult with the Developer regarding the specifications of the cooktop for the Unit. The Developer expressly reserves the right to make modifications, revisions and changes it deems desirable in its sole and absolute discretion. Views vary from each Unit and there is no assurance of the views from any particular Unit. Services provided may be offered on an a la carte basis, with charges for use required. Offering and then continuation of services is not assured and should not be relied upon. The Condominium is part of a larger mixed-use building and certain amenities and/or features may be shared with other owners and/or occupants of the larger mixed-use community (and not be exclusive to the Condominium). This offering is made only by the prospectus for the Condominium, and no statement should be relied upon if not made in the prospectus. The legal name of the Condominium is THE 201 NORTH FEDERAL HIGHWAY CONDOMINIUM Stated interior square footage shown on the floor plans is measured to the exterior face of exterior walls and to the centerline of interior demising walls, or to the exterior face of walls adjoining corridors or other common elements or shared facilities, without excluding areas that may be occupied by columns or other structural components. This method of measurement varies from, and is larger than, the dimensions that would be determined by using the description and the definition of the Unit set forth in the Declaration (which generally only includes the interior airspace between the perimeter walls and excludes structural components). For reference, the area of the Unit, determined in accordance with the Unit boundaries set forth in the Declaration, is set forth in Exhibit "3" to the Declaration. All dimensions are approximate and may vary with actual construction. Balcony sizes may vary, and for a correct depiction of the size of each balcony appurtenant to a Unit, see Exhibit "2" to the Declaration. All floor plans and development plans are subject to change. The Developer expressly reserves the right to make modifications, revisions and changes it deems desirable in its sole and absolute discretion. All depictions of furnishings, appliances, built-ins, counters and other matters of detail are conceptual only and are not necessarily included in each Unit. Consult your prospectus and Purchase Agreement. The plans, specifications, services, design techniques, design features, materials, amenities, terms, conditions and statements contained in this floorplan are proposed only, and the Developer reserves the right to modify, revise or withdraw any or all of same in its sole discretion and without prior notice. The Developer further reserves the right to modify, change or replace any members of the design team, and buyer has not relied upon the participation of any particular design professional. All improvements, designs and construction are subject to first obtaining the appropriate federal, state and local permits and approvals for same, and modifications may be made throughout the approvals process and construction. The building is not yet constructed and as such all depictions are renderings and are conceptual only and are for the convenience of reference. They should not be relied upon as representations, express or implied, of the final detail of the building, residences, amenity areas or building designs or materials. Materials described herein are reflective of the design vision, but are not representations of actual materials selected or to be utilized. The size and configuration of the cooktop shown herein, including the configuration and number of burners/zones, may vary per Unit. Please consult with the Developer regarding the specifications of the cooktop for the Unit. The Developer expressly reserves the right to make modifications, revisions and changes it deems desirable in its sole and absolute discretion. Views vary from each Unit and there is no assurance of the views from any particular Unit. Services provided may be offered on an a la carte basis, with charges for use required. Offering and then continuation of services is not assured and should not be relied upon. The Condominium is part of a larger mixed-use building and certain amenities and/or features may be shared with other owners and/or occupants of the larger mixed-use community (and not be exclusive to the Condominium). This offering is made only by the prospectus for the Condominium, and no statement should be relied upon if not made in the prospectus. The legal name of the Condominium is THE 201 NORTH FEDERAL HIGHWAY CONDOMINIUM Stated interior square footage shown on the floor plans is measured to the exterior face of exterior walls and to the centerline of interior demising walls, or to the exterior face of walls adjoining corridors or other common elements or shared facilities, without excluding areas that may be occupied by columns or other structural components. This method of measurement varies from, and is larger than, the dimensions that would be determined by using the description and the definition of the Unit set forth in the Declaration (which generally only includes the interior airspace between the perimeter walls and excludes structural components). For reference, the area of the Unit, determined in accordance with the Unit boundaries set forth in the Declaration, is set forth in Exhibit "3" to the Declaration. All dimensions are approximate and may vary with actual construction. Balcony sizes may vary, and for a correct depiction of the size of each balcony appurtenant to a Unit, see Exhibit "2" to the Declaration. All floor plans and development plans are subject to change. The Developer expressly reserves the right to make modifications, revisions and changes it deems desirable in its sole and absolute discretion. All depictions of furnishings, appliances, built-ins, counters and other matters of detail are conceptual only and are not necessarily included in each Unit. Consult your prospectus and Purchase Agreement. The plans, specifications, services, design techniques, design features, materials, amenities, terms, conditions and statements contained in this floorplan are proposed only, and the Developer reserves the right to modify, revise or withdraw any or all of same in its sole discretion and without prior notice. The Developer further reserves the right to modify, change or replace any members of the design team, and buyer has not relied upon the participation of any particular design professional. All improvements, designs and construction are subject to first obtaining the appropriate federal, state and local permits and approvals for same, and modifications may be made throughout the approvals process and construction. The building is not yet constructed and as such all depictions are renderings and are conceptual only and are for the convenience of reference. They should not be relied upon as representations, express or implied, of the final detail of the building, residences, amenity areas or building designs or materials. Materials described herein are reflective of the design vision, but are not representations of actual materials selected or to be utilized. The size and configuration of the cooktop shown herein, including the configuration and number of burners/zones, may vary per Unit. Please consult with the Developer regarding the specifications of the cooktop for the Unit. The Developer expressly reserves the right to make modifications, revisions and changes it deems desirable in its sole and absolute discretion. Views vary from each Unit and there is no assurance of the views from any particular Unit. Services provided may be offered on an a la carte basis, with charges for use required. Offering and then continuation of services is not assured and should not be relied upon. The Condominium is part of a larger mixed-use building and certain amenities and/or features may be shared with other owners and/or occupants of the larger mixed-use community (and not be exclusive to the Condominium). This is not intended to be an offer to sell, or solicitation to buy, Condominium Units to residents of any jurisdiction where prohibited by law, and your eligibility for purchase will depend upon your state of residency. This offering is made only by the prospectus for the Condominium, and no statement should be relied upon if not made in the prospectus. The legal name of the Condominium is THE 201 NORTH FEDERAL HIGHWAY CONDOMINIUM Stated interior square footage shown on the floor plans is measured to the exterior face of exterior walls and to the centerline of interior demising walls, or to the exterior face of walls adjoining corridors or other common elements or shared facilities, without excluding areas that may be occupied by columns or other structural components. This method of measurement varies from, and is larger than, the dimensions that would be determined by using the description and the definition of the Unit set forth in the Declaration (which generally only includes the interior airspace between the perimeter walls and excludes structural components). For reference, the area of the Unit, determined in accordance with the Unit boundaries set forth in the Declaration, is set forth in Exhibit "3" to the Declaration. All dimensions are approximate and may vary with actual construction. Balcony sizes may vary, and for a correct depiction of the size of each balcony appurtenant to a Unit, see Exhibit "2" to the Declaration. All floor plans and development plans are subject to change. The Developer expressly reserves the right to make modifications, revisions and changes it deems desirable in its sole and absolute discretion. All depictions of furnishings, appliances, built-ins, counters and other matters of detail are conceptual only and are not necessarily included in each Unit. Consult your prospectus and Purchase Agreement. The plans, specifications, services, design techniques, design features, materials, amenities, terms, conditions and statements contained in this floorplan are proposed only, and the Developer reserves the right to modify, revise or withdraw any or all of same in its sole discretion and without prior notice. The Developer further reserves the right to modify, change or replace any members of the design team, and buyer has not relied upon the participation of any particular design professional. All improvements, designs and construction are subject to first obtaining the appropriate federal, state and local permits and approvals for same, and modifications may be made throughout the approvals process and construction. The building is not yet constructed and as such all depictions are renderings and are conceptual only and are for the convenience of reference. They should not be relied upon as representations, express or implied, of the final detail of the building, residences, amenity areas or building designs or materials. Materials described herein are reflective of the design vision, but are not representations of actual materials selected or to be utilized. The size and configuration of the cooktop shown herein, including the configuration and number of burners/zones, may vary per Unit. Please consult with the Developer regarding the specifications of the cooktop for the Unit. The Developer expressly reserves the right to make modifications, revisions and changes it deems desirable in its sole and absolute discretion. Views vary from each Unit and there is no assurance of the views from any particular Unit. Services provided may be offered on an a la carte basis, with charges for use required. Offering and then continuation of services is not assured and should not be relied upon. The Condominium is part of a larger mixed-use building and certain amenities and/or features may be shared with other owners and/or occupants of the larger mixed-use community (and not be exclusive to the Condominium).
