RESIDENCES

OVERVIEW

Perched atop the 262-room Nashville EDITION Hotel, The Residences at The Nashville EDITION comprise a collection of extraordinary homes, meticulously designed by renowned INC Architecture & Design, and fully serviced by EDITION. Rising 380 feet above The Gulch, Nashville's most vibrant and sought-after neighborhood, with striking architecture by award-winning ESa, the tower harmonizes cutting-edge design with sustainability and anticipates LEED Silver certification.

The Residences at the Nashville EDITION offer Nashville's most elevated lifestyle. Residence owners enjoy a robust suite of private amenities, premium services, and priority access to the hotel's dining, spa, and leisure programming. Additionally, residence owners benefit from preferred access and rates across the global Marriott portfolio.

RESIDENCES

The Residences at The Nashville EDITION are graciously scaled and meticulously appointed, featuring floor-to-ceiling windows that showcase breathtaking views of the city and beyond.
