

THE JEWEL OF MIAMI

An architectural masterpiece, JEM will transform the skyline while introducing an incomparable living experience to Miami. The building's sophistication, integrity, level of service, and variety of curated spaces—from the private porte-cochère to the exclusive JEM Club—are unsurpassed. Its exclusive collection of residences, each meticulously designed, offers commanding vistas that exalt light and expansiveness. JEM's address within Miami Worldcenter establishes the neighborhood as an international focal point worthy of its prodigious name.

AMENITIES & SERVICES

- 24-hour attended lobby with a bespoke reception desk, expansive lounge area with a fireplace, custom sculpted artwork, lighting, intricate wall, ceiling, and floor detailing.
- Grand porte-cochère offering 24-hour valet service appointed with abundant foliage, a sculptural centerpiece, and millwork details. Private residential only porte-cochère entrance and valet on 2nd level.
- JEM Club, a masterfully curated indoor/outdoor amenity collection occupying the 50th floor, including:

OUTDOOR ENTERTAINMENT

- Resort style pool with cabanas, floating daybeds, and a signature sculpture
