ENEA GARDEN DESIGN

LANDSCAPE ARCHITECT

Enea is one of the world's leading Landscape Architecture firms. The firm's staff of approximately 200 people is comprised of a multi-disciplinary team of professionals, with backgrounds in Landscape Architecture, Architecture, Interior Design, Technical Design, Engineering, Construction, and Botany. These diverse team members come from over 10 countries, speak more than 15 languages, and bring to Enea a global perspective in Landscape Architecture and design.

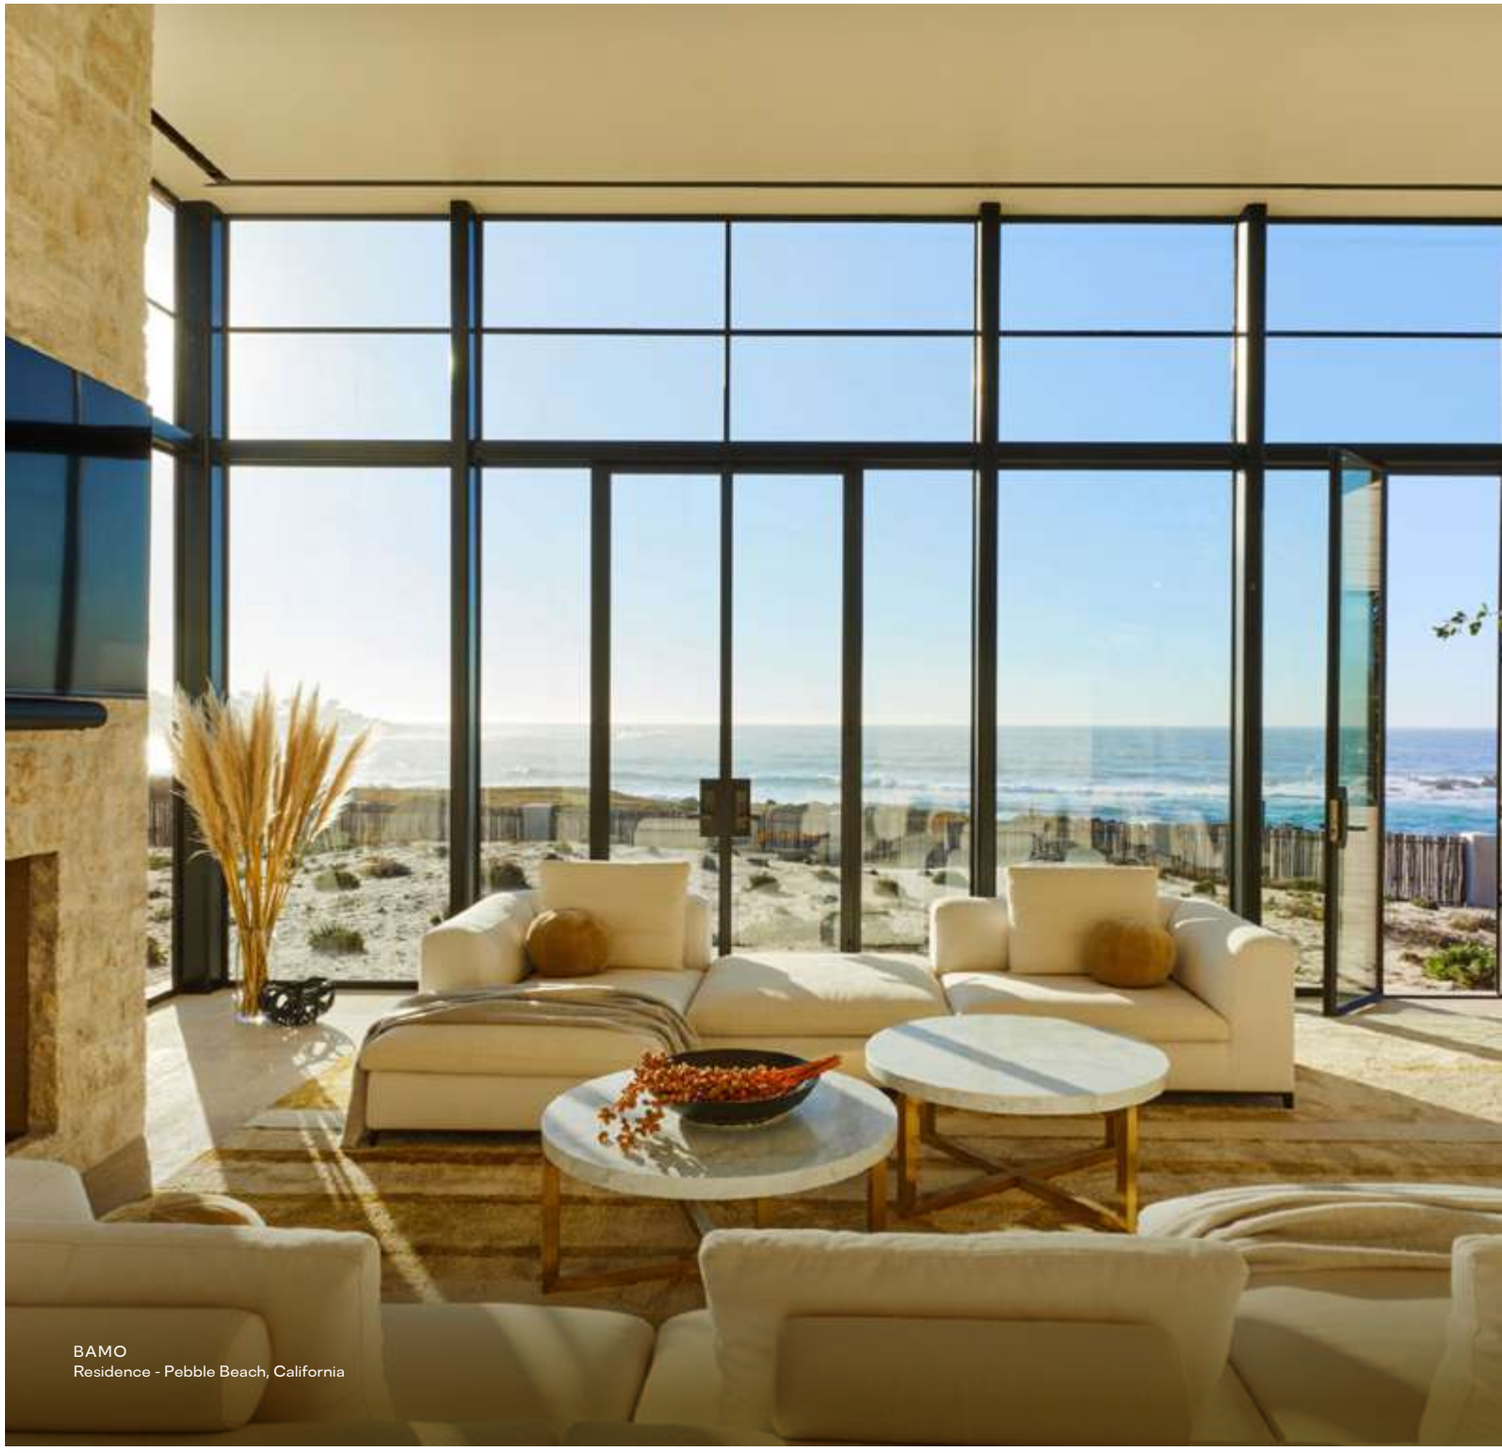

The firm is widely known for its ability to deal with the complex design and construction of a variety of projects, including private gardens and terraces, restaurants, hotels and resort environments, corporate gardens, public parks, as well as golf courses. The unique strength of the company lies in its capacity to offer its clients a complete in-house service package, inclusive of the total realization and implementation of a project. Enea begins its work with the planning and construction phases, the design and installation of irrigation and lighting systems, comprehensive garden care, and finalizes each project with the furnishings of the gardens. Enea can offer its clients services that are second-to-none.

BAMO

INTERIOR DESIGNERS

For thirty years, BAMO has created captivating environments that flow, function, and make people feel welcome, at ease, and inspired to live – and to dream – more fully.

BAMO engages clients graciously, listening for the unspoken needs beneath their stated desires. Speaking to the psyche through the senses, and building in layers of meaning, they create true havens: places apart from the everyday. Their interpretive skill is matched by the rigor, expertise, and ingenuity they bring to seeing projects through to completion. This is why hospitality, residential, and corporate clients around the world trust BAMO to bring their visions to life.
